## Breed of Horses & Poker Hobo Rides;

We had really nice weather, not as hot as predicted. Sat. was probably hotter than Sunday, Sunday's ride was a lot nicer than Sat.. (Both trails and the weather.) We didn't get much for a turnout, probably cause of the weather. Thanks to all of you who did come, we really appreciated you!! It's a lot of work to put on a hobo and really disappointing when you get a poor turnout. Since I've had really good turnouts in the past it wasn't so bad, but I can see where those who put on a hobo for the first time and get poor turnouts get discouraged. The Poker ride seemed to be a hit. Deanna won the jackpot of \$16, congrats to Deanna!! Sorry to everyone about station #3 on Sat.'s Ride. It was either too far out or gone, we didn't go back to check, plus marking #3 & #5 wrong on the map didn't help. Also we apologize for the extra plate out there; I never would have guessed that would have caused problems. We had a lot of problems with Sat.'s Ride, plus the hot weather, we really appreciate everyone's good attitudes!! We'll get it closer to right next year!!

Thanks for everyone's participation!!
