HI Hoboer's,

We are off to a running start! We've had 3 great hobo's so far this year already. Big Aspen had a great turnout of 35 riders (second highest on record), and some visitors. Solon Springs had 26 on Sat., and 19 on Sunday. The weather even cooperated on all the rides, and all the rides had newcomers which is great! Irene is having her rides on June $10 \ 11$, Teri is June 24, notice the flyers. Hope to see everyone at the next few rides!!

Big Aspen Ride;

HI. First I'd like to thank everyone for coming!! 35 riders, what a turnout, and we didn't run out of food!! The weather was great, and other than a few oop's the ride went well.

Sorry about not having the "no trespassing" on the maps. Hindsight I should have added it as I handed out the maps, knowing how hard it is to remember all that is said at the preride. I did have it on my original map; I just didn't transfer it to my copy. I also wish I would have marked somewhat which trails were rocky; you were all great sports about my mistakes. Thank – you so much!! Otherwise, I thought the ride went well. Most found everything, congrats to Tawni & Chris's team for finding everything even though they went over their time limit!! It was kind of scary when so many had a hard time with station 1, then when 2 hours went by and no teams were in. Once the first team came in the rest were shortly after. Congrats to Steph for guessing the word "paramedic", and winning the first aid kit. Hope to see you at more rides this summer!

Thanks Beth and Lisa

Solon Spring ride results will be in the next news letter!
